CLOSING OF CAMP AND CONFERENCE

Young people desiring cottages must have an older person as chaperone who will be responsible for the conduct of those in the cottage. This is **IMPERATIVE**.

Young people need the same plan of Salvation that older people need which begins with a born again experience. The teaching of this camp is strictly fundamental and no church, society or family will run any risk in sending their young people to this camp meeting.

Any person or persons who disturb the cottage of anyone will be summarily dealt with. Rowdiness cannot be tolerated on the ground.

A Cottage for male missionaries on furlough has been erected by Rev. H.S. Bickel, Deceased.

We aim to give the camp the benefit of the very best speakers we can secure. We could lower the standard of the program offered and the camp would gradually die. You can help us by your prayers, contributions and cooperation.

The Board of Managers at their meeting April 18, 1936 passed a resolution inviting any furloughed Missionaries who may desire to take advantage of our splendid program to be the guests of the Association for any time they can spend at the meeting. Any Missionary who believes in the fundamentals of our faith will be welcome to the meetings and will be entertained free of charge if they will communicate with Ralph Kilheffer, Washington Boro, Pa. 17582. This action is to be a permanent invitation to furloughed Missionaries.

When you come to Camp remember that this meeting is arranged solely for Religious Services. Those who labor to maintain the Camp do not want it to be a rest resort or modern Camp Meeting. If you want a Worldly outing find it somewhere else. We do not want people who do not regularly attend the Services to apply for cottages. Any persons who do not regularly attend the services this year need not apply for cottages next year. If you attend the services, you will go away thankful that you have had the privilege of attending so good a meeting. Remain away from the services and you will wonder why you came to such a dull place. Pray much for the camp and those who will speak. Bring your Bibles, and Pray! Pray! Pray!

There will be a comfortable cottage for entertainment of ladies, a limited number can be accommodated. Write early, if you desire lodging in cottage.

Examine the rules of the Camp when you can and seek to carry them out, so that in every way you may seek to cooperate with the management.

We must depend upon Christian men and women, who reside on the ground, to assist the management to preserve order.

All persons should be in their cottages and quieted down by 11 P.M.

No Luxuries will be sold on the Lord's Day.

Parents are urged to see the children do not damage any property of the Association.

DRESS GUIDELINE FOR CAMP MANOR

After much prayer and consideration the Board of Directors hereby request the campers and visitors to the camp to let their dress style be in a manner in which Christ is Glorified! Modesty and Christian grace must be uppermost in our minds during the camping season.

Such styles as hot pants, halter tops, and muscle shirts are in the opinion of the board of Directors immodest and therefore are not appropriate.

The Board of Directors and Managers of the Camp shall use their discretion in determining improper dress and shall suggest appropriate action.

PLEASE NOTE

People who bring their pet dog to camp are requested to be in command of the dog at all times.
